Subject: Revised Surface Sediment FSP - for approval

Davis:

On behalf of the Pre-RD Group, I am submitting the revised Surface Sediment FSP for EPA approval. It is marked in RLSO.

If these edits are acceptable, we will produce a clean PDF of the entire document. Please let me know as soon as possible. Ideally, we would like to give the field team the revised FSP before they begin work again on Wednesday, June 13th.

Thanks,
Jenny
